

RIYA ANN GEORGE

Computer Engineer

About Me

Aspiring to join a forward-thinking company as a computer science engineer. I look forward to start my career with a firm whose work culture will tap into my skills and potential. I look forward to gain new experience and contribute to the firm with commitment while also enhancing my knowledge and professional growth as an engineer.

district, Kerala, India

TECHNICAL SKILLS

- C
- HTML
- SQL
- Beginner in Flutter

ACHIEVEMENTS

- NSS Volunteer
- IEEE Explore Publication: "[Automated RFID and Face Recognition Based College Bus Attendance Marking System with Payment Module]" ([2024])

HOBBIES

- Traveling
- Stitching
- Baking
- Designing

EDUCATION

Providence College of Engineering 2020 - 2024

Computer Science and Engineering
CGPA - 7.71

Marthoma Senior Secondary School, Kozhencherry 2018 -2020

CBSE
Percentage - 78.2

Marthoma Senior Secondary School, Kozhencherry 2018

CBSE
percentage - 79.6

PROJECT

- Automated RFID and Face Recognition Based College Bus Attendance Marking System with Payment Module
- An Android App for Library Management System using Flutter
- Smart Dustbin using Arduino

CERTIFICATIONS

Internships

- Front-end development using Angular
ICT academy of Kerala
- Web development using Python and HTML
Keltron, Trivandrum

Workshops

- NIT Calicut
Workshop on Android App Development
- Live Wire
Workshop on Python
